

NEW, educational, and fun **Summer Camp** for rising 7th, 8th and 9th graders interested in exploring careers. Maxwell High School of Technology is introducing a week long session with hands-on learning activities for your student in a variety of different programs such as Graphic Design, Automotive Services, Cosmetology, Health Care and Medical Services, Early Childhood Education, Georgia Pre-K Camp Counselors, Public Safety, and Welding. All camp programs are led by certified GCPS instructors with enthusiastic high school student aides. Don't miss this unique opportunity for your student. Registration fee is \$35.00 due before April 15, and \$40.00 after April 15. For more information and to register your child today, visit our website www.maxwellhigh.com or call Nancy Zamprelli at (770) 338-4625.
